

Gerald Thom Environmental Studies Bursary \$1000

Guidelines:

Eligibility

Candidates must:

- be LCS students currently enrolled in their graduating year;
- be planning to enrol in post-secondary studies.

Criteria

Priority will be given to applicants who:

- are planning to enrol in environmental studies related courses;
- have successfully completed the LCS School Growth Plan components relevant to watershed stewardship;
- have demonstrated commitment and service to improving or restoring the local environment (actions include efforts toward water testing, record keeping, clean-up activity, planting, article writing, nursery management);
- have demonstrated a willingness to educate others regarding environmental stewardship.

This GTES Bursary Application will be reviewed by, and a recipient will be selected by the CLRSS Education Committee and the LCS Bursary Committee:

Please respond to as many of the following questions as possible, in the space provided:

1. What are your immediate future education plans (programs, courses, university/college)?
2. List any awards (recognition) you have received that would be relevant to the bursary criteria.
3. List your LCS and other contributions (committees, activities) that support the bursary criteria.
4. List the LCS Growth Plan components relevant to watershed stewardship (Lake Studies) in which you have participated.
5. What is the Cowichan Lake and River Stewardship Society (CLRSS) and how does it serve the community and surrounding area?
6. How did Gerald Thom contribute to the health and protection of the Cowichan Watershed?
